Sponsored by the City of Sacramento

## **Pharmacists or Pharmacies that operate within the Sacramento City limits:**

This is to cordially invite pharmacy managers and pharmacists to an informational meeting regarding the implementation of SB 1159, Pharmacy Sales of Syringes, in the City of Sacramento. This Disease Prevention Demonstration Program was authorized by the Sacramento City Council on September 5, 2006.

At this meeting you will:

- **Receive information on how to implement the sale of syringes in your pharmacy.**
- **Register to be an authorized syringe sales location.**
- **Receive a free supply of HIV/HCV and Drug & Alcohol treatment information brochures for dissemination to patrons purchasing syringes.**

Glennah Trochet, M.D., Sacramento County Health Officer, and staff will give a presentation explaining details of the demonstration project. The agenda includes a discussion of the program, the legal requirements, an opportunity to register your pharmacy with the Sacramento County Division of Public Health, and distribution of materials that will help you meet the requirements of the law.

**Date: November 28, 2006**  
**Time: 6:00 pm - 8:00 pm**  
**Location: Sacramento County Primary Care Center**
